

HOW ARE WE DOING?

Your Columbian Retirement Home's **COLUMBIAN SENIOR ADVISORY SERVICE (CSAS) Program** is now well into its second year of service, responding every day to assist brother knights with relocation and other senior care issues.

Here is some feedback from clients assisted to date, a small indicator of the broad scope and highly regarded quality of assistance that CSAS provides.

"I contacted CSAS for some referrals for independent living communities and received two very nice options that we were able to visit – and will look to the future for a possible move. I appreciated the quick response from CSAS and their helpful information. I would want Brother Knights to know that you can depend on CSAS for assistance with whatever you may be considering." — **Brother Charlie Marinelli, CSAS client**

"They found my fellow brother knight the perfect home matched for his needs. This is the best kept secret in the KofC!" — **Jerry Kay, CSAS Client & Brother Knight**

"As a caregiver for my wife diagnosed with dementia, I attended one of the CSAS seminars at my local parish and was very impressed with the content. The staff expressed deep concern for me and my wife, and the consultant I was working with helped us schedule an appointment with a dementia specialist... I take comfort in having Columbian Senior Advisory Service there when I need advice." — **Charlie McDermott, CSAS Client & Brother Knight**

"This is the first organization I have called that followed up with more information. They were very helpful." — **CSAS Client, San Francisco**

"We found it very informative. The CSAS staff was very helpful. I didn't know about the assistance available through the VA or the in-home help we could get."
— **Brother Donald P. Connell, CSAS Client**

"Outstanding information and service! Nothing else compares to this. The CSAS staff was extremely knowledgeable and helpful in guiding me through a maze of information during a difficult time. I can't thank you enough!" — **Joan Steen, Daughter of a Brother Knight**

"As a KofC member, thanks for the information that you have provided me on how to take care of someone dear to you who is on the verge of needing help. It's good to know we have CSAS on our side. Thanks from the bottom of my heart." — **Jose Figueroa, CSAS Client & Brother Knight**
