

Chris A. Scotti
Columbian Retirement Home Board Member

Chris graduated from Mary Star of the Sea High School in 1957. He joined the Navy and served from 1957 to 1960. While in the Navy he was an A E-5 (second class) supply clerk (store keeper) until he was honorably discharged.

From 1960-1995 Chris worked in the Real Estate Title Insurance business at various title companies working up to management of 32 employees at the County Recorders Office. While working he attended a Community College and received an AA Degree in Real Estate.

In 1995 there was a merger of title companies and his unit was slowly eliminated and he was laid off.

Chris then went to work at Vons Grocery as a clerk until that store closed and due to a lack of seniority was again laid off.

In 2000 he worked part time at Enterprise-Rent-a-Car and was there until February 2012 when that hub closed. He is now retired.

Chris enjoys collecting U.S. stamps, rare U.S. stamps prior to 1900, reading military non fiction and history fiction.
